NCCR distributed Iftar meals to 700 people with disabilities and poor families in cooperation with World Assembly of Muslim Youth with the supervision of the (AlKebar) trading group company (Kingdom of Saudi Arabia).

This initiative comes as part of a series of activities implemented by NCCR during Ramadan month to alleviate the burden on these families in light of the hard living conditions and the loss of a large number of them their daily income source in the event of an emergency due to the COVID19 pandemic. NCCR's staff distributed meals to families and delivered them to homes to keep everyone safe.

NCCR DISTRIBUTES ASSISTIVE DEVICES AND MEDICAL SUPPLIES TO CHILDREN WITH DISABILITIES IN THE GAZA STRIP

NCCR distributed assistive devices and medical supplies to dozens of injured and PWDs in the Gaza Strip ; where this activity comes within the activities of home care project for injured children and children with disabilities funded by YAYASAN HASANAH-Malaysia organization, as the project serves 100 children with disabilities who are in need for medical and rehabilitation services and psychological support, especially in light of the difficult conditions that the Gaza Strip is going through. One step at a time NCCR has been working towards achieving 2018-2020 Strategy.

The delivery of services was made with your generous support , and along with your support, NCCR will sustain the progress with all the beneficiaries. Your support would also help to increase our scope of beneficiaries.

To improve the health, psychological and social status for people with physical disabilities indoors & raise knowledge among PWDs families on the basics of home care

To promote and develop the capacities of PWDs of both gender to be able to raise their voice in the society.

To provide them with the necessary assistive devices and medical supplies they need

To raise awareness in the community towards the rights and abilities of PWDs, and advocate for their various rights

"WE AIM TO REACH TO EVERYONE THAT NEED OUR SERVICES. OUR UNIQUE SERVICES EQUIP THOSE IN NEED WITH ASPIRATION TO MAKE A DIFFERENCE AND THIS IS WHAT WE ASPIRE TO CREATE".
